# SPI'S HIGH QUALITY APPROACH TO UHD

SPI provides the highest picture quality and a clear focus on native UHD content.

Most of the content available in the market for UHD is not suitable for broadcast. Therefore, SPI labs spend extensive hours on filtering and assuring the quality in order to sustain its UHD quality.

This "signing policy" leads to the high level of quality of all content shown on our FunBox UHD live channel.

At the same time we are keen to secure rights to content that is attractive for all the audience around the world.

EXTREME ADVENTURES

# ORIGINAL CONTENTS

## DREAM JOURNEY

Dream journey is a travel expedition through Scotland, Poland, France, Mexico, Belize. From scuba diving to skydiving, ziplining over a Mexican Jungle, trying habanero-packed streetfood and organic tekila, climbing a Maya pyramid, to fed hibiscus flowers to a very extravagant donkey are part of this travel expedition. This series show you visiting the most remote corners of our planet reminds you how different and yet how similar we all are.

## FOR FUN ONLY

In this series of programs with the common title "FOR FUN", we talk about people who have run away/escaped from everyday life to the world of their passions. The series is devoted to sports activities and hobbies from the very popular horse riding, through off-road, to ballooning and gliding.

## HOW IT'S MADE

The series "How Do They Make It" is a journey into the world of complex mechanisms surrounding contemporary man. It's a story about places where exceptional things are being created to make our travel, communication, work, and life easier. In every program, we visit a new place. Our series is about creating unique products but also about the commitment, passion, and work of the people who create them.

# TRAVEL / NATURE

## EXPLORE THE BEAUTY AND MYSTERIES OF THE WORLD

Rediscover **nature** and go on an amazing journey around the world watching some of

## THE BEST UHD FOOTAGE NEVER BEFORE SHOWN ON TELEVISION.

The most beautiful, mysterious and wildest places in the world.

Secret history, the riddles of science, answers to the questions that have long been on your mind.

Adventures in the wildest places and mythical journeys across the Arctic, Alaska, Sahara, Patagonia, The Amazon and more...

# DOCUMENTARIES

## SEA CHEF

Till now, chefs went to the market to pick the best products for their restaurants. Ángel León, a two Michelin starred chef from Andalusia, goes fishing. We go all over the coast of Spain to capture great pieces and show the best way to prepare the most awesome recipes with different types of fish, even those species unknown for most of the viewers. A program that may be suited for both lifestyle, travel and adventure audiences.

## ROCKY MOUNTAINS

Two of the world's finest adventurers meet mid-summer in McBride, British Columbia. A thermal air lifts them towards Mt. Robson and they set flight for the Canada-US border. Along the way, they push the sport of paragliding, or more precisely vol-bivy or "fly camping", as they journey 640 kilometres above the Canadian Rockies. Will Gadd and Gavin McClurg were named National Geographic Adventurers of the Year in 2014 for their 35-day journey across rugged landscapes which is the longest air journey by a paraglider ever recorded. All captured in native 4K.

## 7 WONDERS, 7 EMOTIONS

A travel documentary film which explores the new seven wonders as they were selected by 1 million voters across the world: Colosseum in Italy, Machu Picchu in Peru, Petra in Jordan, Taj Mahal in India, Great Wall in China, Chichen Itza in Mexico and Cristo Redentor in Brazil. The film is narrated by the internationally acclaimed actor Sean Astin (Lord of the Rings).

# DOCUMENTARIES

## ISLAND HUNTER

This series is your insiders look into exotic island destinations around the world. Where to go? What to see? Island Hunter shows you how to find the best spots to party, the hippest bars and lounges, the most luxurious resorts, and of course, the unique cuisines that define each of these paradise destinations. The host for every episode will be your conduit to getting an encyclopedic knowledge about the island; local cultures, secret hotspots, and much more!

## GOING BEYOND

Going Beyond is wanderlust-filled hitchhiker Mariia Khandus's new travel project. She's journeyed around the world. We visit the non-touristy places and show you the real Indochina! This is a set of stories of different people, through the prism of whom we show life in a country. It is a collection of diverse achievements, experiences and emotions. We are looking for the most interesting stories for you to keep expanding your own consciousness. Unbelievable panoramic views, interesting people, exciting stories and adventures.

## MAXIMUM FOODIE

Maximum Foodie is Sashi De's global journey to learn what chefs around the world are doing to push food to a new frontier. A rendezvous with the best chefs around the planet, Max Foodie will showcase the latest and greatest from Michelin Guide & S. Pellegrino's Asia's 50 Best Restaurant lists to show audiences the lengths top chefs go to, to bring you the very best that food can be.

# FOOD

## Culinary HEIGHTS

The world's best and most innovative chefs make guest appearances at the Ikarus Restaurant in Red Bull Hangar-7. The documentary series Culinary Heights at Ikarus grants extraordinary insights into the world of top-level gastronomy. Ever wanted to peer over the shoulders of international kitchen greats, or experience the challenges faced by the team at Ikarus Restaurant, or accompany Roland Trettl as he visits the guest chefs on home territory? Culinary Heights at Ikarus gives you the opportunity to do just that. Discover all there is to know about the world's most prestigious chefs and their favourite dishes. Savour tasteful entertainment at its best.

## ART / CULTURE

# SOCIAL FABRIC

Holy Grail/Pure Blue (Kojima, Japan): A trip to Jean street in Kojima, Japan with Pure Blue Jeans to uncover the history and manufacturing practices of Japanese salvage denim. Re-Done Vintage Jeans (Los Angeles, CA): Tracing the origins of vintage American jeans and those who collect and restore them. 69 Jeans (Downtown Los Angeles, CA): A wild take on the future of Jeans through the eyes of the anonymous designer of 69 denim.

## ART / CULTURE

performing arts series (13x50)  
Produced by Medina Media

Thirteen 50-minute episodes shot in native UHD:

The most brilliant stars of a new generation of flamenco artists

Seville's most renowned venues

Live recordings of jazz and symphonic flamenco

Amazing coverage of the Flamenco Fashion Week

## ART / CULTURE

# La Bohème

cinematic opera in UHD  
Produced by DBW Communication

This extraordinary edition of *La Bohème* was directed by one of Italy's greatest film directors, Ettore Scola during the 60th Puccini Festival in Torre del Lago, Italy. DBW Communication employed six UHD Sony F55 cameras, one UHD OBVan, several certified cinema UHD lenses, and a new Sony server able to film up to four UHD streams at the same time.

## FACTUAL SERIES

# WILDLIFE WARRIORS

Get up close and personal with a group of International recruits as they tackle one of the toughest training courses on the planet, in order to become the next generation of Anti-Poaching Rangers, and help save endangered species from extinction. This returnable series, shot on 4k UHD over 5 weeks in three remote South Africa locations, gains exclusive access and gets close to the action and under the skin of these young people who are prepared to risk their own existence, to save the world's wildlife for future generations.

# LIFESTYLE / ENTERTAINMENT

Host Cedric Small travels through Luxembourg on his way to France. On his way, he stops at The Old School Barbers (Lintgen location) to work with their team of Master Barbers for the day. Owner Tom Trummer, invites Cedric to cut and shave one of his best customers, Luxembourg's very own model, extreme athlete and music sensation Thierry Mersch!

## LIFESTYLE / ENTERTAINMENT

The Boat Show is a program dedicated to nautical lovers and boat owners, or dreamers. It is made with passion by a team of experts with more than 15 years of experience. The Boat Show covers water tests, reports from international boat shows, visits to shipyards, boat maintenance and technology, everyday boat repair and maintenance tips, races, events, celebrities, cooking, safety, charters and ports.

## LIFESTYLE / ENTERTAINMENT

# LORDS OF GRAVITY

There are people who move the hearts of people with the trampoline, backboard and a basketball. It is the acrobatic basketball team. The acrobatic basketball is the sport which combines the acrobatics and basketball and sublimates in art, and the world's best team 'Lords of Gravity' from Hungary is gaining much popularity. This team with 5 members had their first performance in Siberia, and continues in the US and Europe.

# EXTREME ADVENTURES

## BREAKING THE DAY

Test pilot Elliot Seguin has always dreamed of building and flying his own experimental aircraft. His Quickie design is on the verge of completion, but when Elliot finds out he's going to be a father, he must decide if the risk is worth the reward.

## TV SERIES

### DO NOT CROSS THE LINE

A gripping female led procedural drama set entirely in a police station where four officers and a coroner have only 24 hours to crack the case. The head of the unit is a skilled policewoman with a secret life of drug abuse, bouts of agoraphobia and suicidal tendencies. She runs a tight knit, highly orchestrated team who push boundaries of ethical practices when in a race against the clock to get their suspects to confess. When her superiors question unusual operating tactics, they get conveniently overlooked as the unit manages to pull out the most remarkable results just in time.

# TV SERIES

## ST-NICKEL

The series focuses on a dysfunctional Franco-Ontarian family who launch a campaign to protect their neighbourhood from an invasion of big box stores and other encroaching signs of gentrification, and unexpectedly find themselves thrust into the role of community leaders.
